A community of builders connected around a one-day hackathon to build something new using latest technologies.

A photograph of three men sitting at a round wooden table in a modern cafe. The man on the left is wearing a black hoodie and glasses, resting his head on his hand. The man in the middle is wearing a dark polo shirt and is smiling. The man on the right is wearing a white sweater and is also smiling. On the table are two glasses of orange juice, a laptop, a coffee cup, and some small items. In the background, there is a bar area with shelves of bottles and large windows.
